CORONA REGULATIONS FOR EVENTS

according to the press conference of 9 July 2021

Events with assigned seating or standing room will be allowed from 10 July

Assigned seats or standing room will apply to one-day events so that everyone can keep 1.5 metres distance. Events without assigned seating are not allowed until at least 14 August (with the exception of locations with a continuous flow of visitors).

Rules for one-day events with Covid entry passes (events without an overnight stay):

- A maximum of two-thirds of the available capacity of visitors is allowed.
- 1.5-metre distancing rule is not mandatory.
- An assigned seat or standing room is required.
- Event visitors 13 years of age and older must present a Covid entry pass at the entrance. They will only be allowed to enter with a valid entry pass.
- The event must be held at a closed location (indoors or outdoors).
- There must be a controlled entry and exit of visitors.
- Registration and health check are required (the health check is performed in the four hours prior to the event).
- Employees and volunteers are urgently advised to take a self-test beforehand.
- In the event of (mild) symptoms after the event, visitors, employees and volunteers are urgently advised to get tested at the GGD (Public Health Service).
- Events remain subject to local regulations, such as permits from the municipality.

Rules for one-day events not requiring Covid entry passes:

- 1.5-metre distancing rule is mandatory. The organiser must ensure that this is possible.
- An assigned seat or standing room is required.
- Hygiene measures must be taken.
- Registration and health check are required (the health check is performed in the four hours prior to the event).
- Events remain subject to local regulations, such as permits from the municipality.

Rules for locations with a continuous flow of visitors (trade shows & public fairs):

There is no change to the rules for locations with a continuous flow of visitors, such as trade shows and public fairs.

- 1.5-metre distancing rule is mandatory. The organiser must ensure that this is possible.
- Hygiene measures must be taken.
- A maximum capacity of 1 visitor per 5m² applies.

Multi-day events (with the exception of locations with a continuous flow of visitors):

Multi-day events (those that include an overnight stay), are not possible at this time and this will remain the case until at least 14 August.
